

Luther Branson Elementary in the WellsFest Run

Students from Luther Branson Elementary School, Madison County School District, line up at the starting position to join in a one-mile fun run.

On your mark, get set...

GO!!!

A mom helps a weary runner make it to the finish line...now *that's* parental involvement!

Sue Moen, affectionately called "Coach Mo" by her students, cheers a student on as he crosses the finish line.

Parents, family, and friends encourage students along the route. What a good way to encourage students to develop healthy lifestyles while having a good time!
