

Blackburn Spirit is Still Alive

Blackburn Middle School, in Jackson, held its first annual **Meet and Greet Tailgate Membership PTA/PTSA Meeting** on September 11, 2007, at 6:00 P.M. in the school's courtyard. Parents, administrators, teachers, staff, students, school board representatives, city council members, and the community were in attendance. The 2007-2008 PTA Officers were installed, the bylaws were presented and adopted, and all active school-wide organizations were introduced (football, cheerleaders, drill team, band, and volleyball). Hamburgers and hot dogs were served from the grill, and there were plenty of soft drinks in the Jaguar Tailgate barrels.

PTA memberships were collected and volunteers signed up to serve on various program committees. Organizer Joyce Sanders said, "This was a great way to let our Blackburn family know that the Jaguar Pride will never die and the Blackburn Spirit is still alive. Everyone had a great time.+"
